The Mariposa Trust is one of the UK's leading charities, with its core objective being to support people who have lost babies at any stage of pregnancy, at birth, or in infancy. With over 258,000 babies being lost yearly in the UK alone, the charity needed to be able to offer not only a comprehensive package of befriending and support, but also national baby loss remembrance services (called Saying Goodbye Services), for people to join together and remember the children they had lost.

4 years on over 80 services have taken place at Cathedrals and Minsters across the UK, US and France, and 2017 will see a further 20 take place.

On the 30 September at 11am in Glasgow Cathedral, the trust is holding one of its Saying Goodbye services. We know that as 1 in 4 women suffer miscarriage and baby loss, you will have contact with a significant number of people who have either personally suffered baby loss, or who have a partner or family member that has.
