Church Ceiling

You may have noticed that some of the paint on the church ceiling has started to peel off in small parts. I am told that this is not about water penetration but most probably due to the age of the paint. An exception to this is the part of the ceiling above the organ loft. Immediately above the organ, some of the plasterwork has started to crumble and fall. This will need to be addressed immediately because of the possibility of damage to the organ. There is also a bigger patch of the ceiling in the corner where the paint is falling off and we can address this problem at the same time. Because of the height of the ceiling, we will have to use scaffolding which will need to be fixed to the walls and build a cover to protect the organ during the works. The total cost should be around £8000. If anyone can make a contribution towards this work, would they please speak to Monsignor Bradley.

Celebration of Sacraments for Children

Parents, over the course of this academic year we will celebrate the following sacraments with primary school age children: First Confession, First Holy Communion and Confirmation.

If you have a child who is due to celebrate one of these sacraments this year, and you wish this celebration to take place in Holy Cross, can you please contact Mgr Bradley with the following information:

Name of child

Date of birth

Date and place of baptism

What sacraments to be celebrated.

What school does the child attend.

You can provide this information by emailing the parish or dropping a note through the chapel house door, or by giving the note to one of the priests at Mass.

October: The Holy Rosary

The Rosary is recited every morning in the Church at 9.05. You are free to join by attending the Church or by accessing the Livestream.

Queen of the Holy Rosary pray for us!

Autumn

As the weather is getting colder and wetter, **please wrap up warmly to come to Mass.** We still must keep the church well ventilated, to reduce the risk of infection. Given that the doors are open for Mass it is wasteful to burn heating in addition our heating is partly fan assisted so we cannot use. We thank you for your understanding and cooperation.
